## Anaphylaxis Training Refresher Video

ASCIA has worked with a world leading video production company to adapt ASCIA Anaphylaxis Refresher e-training for schools, children's education/care and community into an accessible animated video.

Takes less  
than 20 minutes  
to watch

Can save a  
person's life

Developed by  
ASCIA, the experts  
in anaphylaxis  
training

Watch the video to refresh your training, then take a quiz to obtain a Certificate of Completion.

ASCIA e-training courses continue to be available at
